

FIG. 2

Like fig 1 & 2

to where does  
catheter reach  
(need end)

I need  
a more  
defined  
illustration  
of the  
coronary  
sinus.  
the balloon  
needs to  
be better  
placed w/in  
the sinus  
to occlude

FIG. 3

Similar to Figs 1 & 2,  
but with balloon inflated

**FIG. 3A**

Same  
as  
Figs.  
1 & 2.
